Summary

Detail-oriented Cyber Security student at Grissom High School with extensive experience covering Linux System Troubleshooting and Administration, Networking Management, Server Management, and more. I am very passionate about cyber security, and I plan on attending the University of Alabama in Huntsville and obtaining a cyber security degree after graduating high school.

Education

Virgil I. Grissom High School **August 2022 - Present**
Core High School

3.8 GPA
[🌐 https://grissomhighschool.org](https://grissomhighschool.org)
